

Powerful professional clearer

Polyvalent

Pipes

Powerful

Effectiveness

Application

Powerful polyvalent clearer.

Destroyed any types of stopper present in pipes (paper, box, cigarette, protections,...)

Use

Pipes : sinks, bath, WC,...

**Dosage /
Instructions**

It is always recommended to wear gloves and glasses before you open the bottle.
Provide you with a funnel.

For a localised clearing and not very important (wash-hand basin, bath,...):

- Scoop a maximum of water;
- Pour slowly ¼ of the bottle into the pipe with a funnel (pour this product by small amounts, wait a few minutes between each amount to avoid the reaction of the acid with free water) ;
- Wait 1 hour and run water abundantly.

For a important clearing and difficult to locate (pipes) :

- Scoop a maximum of water;
- Pour 1 to 2 bottles directly in the pipes (in a toilet, add 2 liter of water directly after the product, to push it in the pipe.
- Wait 1 hour and run water abundantly.

Advantages

For more than 30 years, REALCO has been developing cleaning solutions respecting the environment..

- Super concentrate ;
- Destroy all the blockages ;

**Active
matters**

Among others:

Acid
