

Powerful enzymatic cleaner

**Enzymes =
Powerful**

**Food
industries**

**Auto-
washer**

Multi-uses

Application

Powerful enzymatic detergent for the cleaning of floors in the food sector.

- Effectiveness reinforced thanks the synergy between the enzymes and the surfactants with vegetable origin, biodegradable ;
- Ensure an in-depth cleaning thanks to the irreversible transformation of the organic stains (mainly fat) ;
- Elimination of any type of organic stains, self incrustated.

Use

Food industries : chocolate factories, butcheries, slaughter-houses, manufacturers of sauces, bakeries, etc.
Farming : milking room, Breeding local, ...
Institution : Kitchen of production.

Dosage / Instructions

Application : scrubber dryer.
Dosage : 0,5-1 %.

- Prepare a solution at 40°-50°C directly in the scrubber dryer (a automatic dilution via ventury is possible).

For very soiled surfaces, we recommend to clean in two passages :

- or two passages in injection-aspiration.
- or one passage in injection, followed up by one passage in aspiration .

Advantages

For more than 30 years, REALCO has been developing cleaning solutions respecting the environment. The enzymatic technology developed by REALCO is the best performing solution on the market to protect our environment and the user (patented technology : n°EP1025052, n°PCT/EP2006/060244).

- Easy and fast rinsing (little foaming product) ;
- Gain of labour (the enzymes do the work) ;
- Recovery of surfaces in-depth (removal of biofilms) ;
- Continuous action on blocking in downstream pipes ;
- Less expensive interventions of maintenance.

Active Matters

Enzymes
Hydrophile solvents
Surfactants
Stabilising agent
Sequestrant

Physical Chemical Properties

Aspect	Liquid
Colour	Colourless-light yellow
pH	7,0±0,5
Density	1,020±0,050

Precautions

Product developed for a strictly professional use. It is recommended to use the product for the applications defined here above.

For more information on our product, we invite you to consult the safety data sheet that can be provided to you on a simple request.

In case of sensitive hands or of prolonged contact with the product, we recommend you to wear gloves.
